

**“When what we eat and “Think” is in alignment with Health – Health is inevitable”.**

The **“Food IS Talking”** workshop is about taking back control of our health and our life. **Without our health we are NOT FREE.** As a food and medical intuitive over the last 4 years, many “revelations” have been revealed. Four of the biggest are **“crucial missing links”** to the health care puzzle (they were never missing, just hidden from view for a time). The time of chronic disease is passing as we re-connect the missing links and realize our power to create and sustain health.

If you are ready to command your own vessel – Join me in creating **The Evolution of Free Health.**

**The Workshop Includes:**

- ♥ **The Revelations:** 4 crucial missing links in our current health care system.
- ♥ Powerful demonstrations to reveal our "energetic self": the power of our thoughts and emotions and how they relate to food, our bodies and everything else.
- ♥ How to become the Master of your Mind to master Food Compatibility Testing and your Life!
- ♥ Master the **“Food IS Talking” Food Charts** to create the perfect grocery list weekly to support your "ever-changing" nutritional needs for optimum health.
